## VISION

Lal Lal Primary School empowers all students to be curious, reflective and creative learners and supports their emotional, social and physical wellbeing so that they become productive global citizens.

## MISSION

Lal Lal Primary School's mission is to provide Learning Programs that are supported by a talented and dedicated team of Educators and Support staff who work together to ensure each student is engaged in learning, allowing them to grow and succeed whilst having fun in a safe environment.

We provide a rich learning environment which values and supports diversity, excellence and teamwork and fosters a spirit of mutual respect and support where every student strives to achieve individual excellence while developing strong social, emotional and academic skills essential for all citizens in this global world.

## OBJECTIVE

Lal Lal Primary School's objective is to provide a learning environment where there is respect for each individual and a commitment to build trust, promote self-esteem and ignite passion, where every individual feels valued and respected and where the richness of cultural and ethnic diversity is celebrated. It is to empower students to build solid foundations for the future by participating in social, intellectual, creative, sporting and cultural activities. Our objective is achieved when our students leave the school literate, numerate, socially competent, politically aware, motivated to be life-long learners and have acquired the skills to do so independently.
