POLICY

1. School profile

Lal Lal Primary School was established in 1886 and is located approximately 15 minutes outside of Ballarat. We have around 30 students enrolled and 3 staff members, teaching principal, chaplain, a visiting MARC teacher and education support staff.

Our school is tucked away in the native bushland, and we are surrounded by a supportive community. Most students that attend our school live locally on hobby farms. Lal Lal Primary School has developed close ties to the local community and is the hub of the local community. \

A comprehensive curriculum program is offered across the school based on the Victorian Curriculum with a very strong emphasis on literacy and numeracy. The school's Instructional Model provides a framework for high quality, consistent practice across the two classrooms. All Curriculum areas are covered.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

Lal Lal Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. 6. Student behavioural expectations

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Lal Lal Primary School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Lal Lal Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>

Corporal punishment is prohibited in our school and will not be used in any circumstance.

7. Engaging with families

Lal Lal Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.
