

OUTSIDE AREA'S MATRIX

RESPECT

We respect ourselves, others and the environment.

- We follow the rules of the game.
- We keep our hands to ourselves.
- We enter and exit calmly and quietly.
- We walk to and from learning spaces.

EFFORT

We always work hard and try our best

- We teach peers the rules of games.
- We use the bathroom for the intended purpose.
- We line up quickly when the bell rings.

RESILIENCE

We have a 'can do' attitude, and can bounce back and try again.

- We use toilets during breaks.
- We wait for our turn.
- We are happy to stand anywhere in the line.

KINDNESS

We are thoughtful, friendly and generous regardless of the situation.

- We take turns and share.
- We show good sportsmanship
- We play fairly at all times.
- We flush the toilets.
- We use the taps, soap and paper towels responsibly.
- We share equipment.
- We hold the door for others.

We are safe.

We are upstanders.

We include others.

We are all friends, so everyone feels happy and included.

We keep our school tidy.

We find appropriate solutions to my problems by exploring different choices.

We use kind words.

We care for others ourselves and the environment.

We let a teacher know if there is an unresolved issue

We respect the personal space and privacy of others.

We use school equipment with care and return it after use.

We wear our school uniform with pride
